

Resume

Name: Saujanya Shrestha

Email: sentake101@gmail.com

LinkedIn: linkedin.com/in/saujanyashrestha

Phone: +1 (555) 345-6789

Date of Birth: April 26, 2003

Experience:

1. **Deep Learning Specialist, Neural Networks Inc. (2021–Present)**
Designed and implemented convolutional neural networks (CNNs) for computer vision applications in the automotive industry.
2. **AI Researcher, DeepTech Solutions (2017–2021)**
Conducted research on reinforcement learning algorithms to enhance robotics performance.
3. **ML Scientist, Tarakunj (3 years)**
Taught classes on machine learning and its applications

Education:

1. Ph.D. in Artificial Intelligence, Massachusetts Institute of Technology (MIT), 2021
2. B.S. in Electrical Engineering, University of California, Berkeley, 2016
3. Bachelor's in Machine Learning
4. Diploma in Computer Science

Certifications:

1. TensorFlow Certified Developer (2021)
2. Machine Learning Specialization (Coursera, 2019)

Skills:

1. **Hard Skills:** TensorFlow, Keras, PyTorch, Python, CNN, RNN, GPU Computing
2. **Soft Skills:** Problem-Solving, Leadership, Collaboration, Communication

Languages:

1. English (Fluent)
2. Spanish (Intermediate)
3. Nepali
4. Hindi

Interests:

1. AI in Autonomous Vehicles
2. Robotics
3. Video Games
